

# TRAFFIC ADVISORY

**Date:** October 27, 2015

**District:** 4 - Oakland

**Contact:** Vince Jacala

**Phone:** 510/286-5206

## FOR IMMEDIATE RELEASE

### **I-80/I-680/SR-12 Interchange Project-Fairfield Daytime Alternating Lane Closures on Green Valley Road Start Wednesday, October 28 at 8:00AM**

**SOLANO COUNTY** – The California Department of Transportation (Caltrans), and the Solano Transportation Authority (STA) are continuing work on the Interstate-80/Interstate-680/State Route-12 (I-80/I-680/SR-12) Interchange Project in Fairfield.

Starting Wednesday, October 29, crews will install a water line related to the I-80/I-680/SR-12 project along Green Valley Road near Business Center Drive in Fairfield.

The work will occur during three consecutive days starting at 8:00 AM until 5:00 PM each day Wednesday, October 28, Thursday, October 29 and Friday, October 30.

#### **Alternating Lane Closures on Green Valley Road**

To ensure worker and public safety, crews will alternate the closure of northbound and southbound traffic lanes on Green Valley Road near Business Center Drive.

One traffic lane on Green Valley Road will be open at all times.

Motorists should expect delays and watch for flaggers as traffic is routed onto one traffic lane through the construction zone during the one-way traffic controls.

All work is weather permitting. #BeWorkZoneAlert

#### **I-80/I-680/Highway-12 Project Improvements:**

A new Green Valley Road overcrossing is being constructed just east of the existing overcrossing. It will have twice the number of lanes (4) as the existing overcrossing (2), along with a new on ramp to westbound I-80/SR-12. The connector ramp from westbound I-80 to westbound SR-12 also will be widened from one to two lanes.
